\*\*Students who fail the department's Theory Placement exam must take this class in Semester 1. Students who pass the placement must make up the missing 2 credits as electives.

MUS 1100/1110/1260/2200 (piano) and 1060/2070 (guitar) requirements are determined by placement exam.

\*It is strongly advised that students take one or two GEN ED courses during Intersessions to avoid many classes while student teaching.

To complete through the music education program, students must comply with all institutional policies in place (at degree program, departmental, and college levels). Students should refer to the most current edition of the Music Education Handbook and Molloy College Course Catalog for this information.

60 LAS credits required to complete the Bachelor of Science in Music Education.

- GEN ED Requirements account for 38 LAS credits.
- Music Theory/History Requirements account for 21-23 LAS credits (23 if MUS 1010 is required).
- Total LAS for Music Ed degree: 59-61. *If MUS 1010 was not required, student must ensure 2.0 credits of Music Electives also count toward LAS requirements.*
