Students enrolled in the College Honors Program are allowed to take (18) Credits per semester with no monetary penalty. Since AP or High School College Courses are not accepted in lieu of Honors Courses but accepted in lieu of other general education requirements, this benefit along with AP or High School College Courses puts the student in a position to pursue a minor and in some cases an additional major.

While it is important to stay within your cohort, we do understand at times it may be necessary to cross into the other cohorts. Please seek permission from the Director of the Honors program before doing this.
