

MOLLOY UNIVERSITY

School of Arts & Sciences
Department of English

English: Writing B.A.

The Writing B.A. allows students to explore composition in both creative and professional styles. Students can choose their pathway through the degree based on their own areas of interest; however, all students complete the same core courses within the degree.

Essential Skills:

Essential skills refer to the knowledge gained from a liberal arts education. They provide a framework to guide students' progress toward their degree but also prepare students for a broad range of career paths. A recent survey from the Association of American Colleges and Universities (AAC&U) shows employers "strongly agree" that "regardless of a student's field of study" liberal arts skills best prepare students to enter the job market in their career of choice.
