## FINAL EXAM/LAST CLASS MEETING SCHEDULE

*\*Please note: For any section that ends before finals week (e.g. sections within a short or half-semester subterm), the final exam/last class meeting will be held in the regularly assigned classroom on the last scheduled meeting date within the subterm.*

*\*Please note: Online classes will have online exams or assignments scheduled by the instructor. For hybrid classes, the final exam/final assignment may take place in a classroom or online, at the instructor's discretion. Instructors of hybrid classes scheduled to take place online may contact Christine Chimienti (cchimienti@molloy.edu) to instead schedule a classroom for the final meeting, if needed.*

*\*Please note: Classes that appear in **blue font** will have more than one required meeting for the final exam/last class meeting. Students must attend all listed meetings. Classes that appear in **red font** reflect a change from the schedule as it originally appeared in Lion's Den.*
