		Elective Course	3 credits
		Elective Course	1 credit
Total Credits	16 credits	Total Credits	16 credits
		Total Credits to Graduate	64

* Do not take a course in the same Social and Behavioral Sciences Discipline as last semester.

Note: This is a suggested sequence of the required courses to obtain the LAS Degree in two years.

The sequence of required courses can be revised based course availability each semester.

Some required courses are also offered during the Summer Session.

See Liberal Arts and Sciences Associate's Degree and General Education Courses in the current Undergraduate Catalog on-line.

The LAS Degree requirements are the completion of the General Education Requirements and other electives. Students planning to pursue Bachelor's Degrees in Education should select specific courses from the General Education list of approved courses as listed in the Education section of the catalog. For other anticipated programs of study, the specific program requirements for Major or Related Requirements that can also meet the General Education requirements should be selected.
