The Barbara H. Hagan School of Nursing & Health Sciences reserves the right to make necessary program alterations in response to changes in professional nursing practice and/or the health care delivery system. Students are responsible for meeting all Program requirements.

Six credits of electives required-where you can take them have ??

Note 1: There will not be a Spring Start for the Adult Gerontology CNS program. However, if the registrar wants a progression for a Spring Start in case anything changes in the future, the course progression is below. To have a Spring progression the CNS program would have to admit at least 8 students starting in the Spring semester as a committed cohort.
